OBJECTIVE

Motivated MCA student with skills in Flutter, Full Stack Development, UI/UX Design, and Machine Learning, seeking entry-level software development opportunities to build scalable and user-centric applications while enhancing technical and professional expertise.

EDUCATION

Master of Computer Applications (MCA) 2025 – Present
Mar Athanasius College of Engineering, Kothamangalam

Bachelor of Computer Applications (BCA) 2022 – 2025
St. Joseph's College, Devagiri
CGPA: 7.942

Higher Secondary Education (Science) 2020 – 2022
VKS HSS Varakkad
Percentage: 93%

SKILLS

Technical Skills

- Programming Languages: Java, Python, C
- Web Development: HTML, CSS, JavaScript, React
- Databases: MySQL, SQLite, Oracle DB, MongoDB
- Frameworks / Tools: Flutter, Django, Figma, GitHub, VS Code
- ML/Data: TensorFlow, Keras, NLTK, scikit-learn, NumPy, pandas

Soft Skills

- Quick Learning
- Communication
- Team Collaboration
- Leadership
- Time Management

INTERNSHIP

Data Science Virtual Intern Sep 2025 – Nov 2025
Alpha Innovation Pvt Ltd, Bangalore

- Successfully completed a virtual internship focused on Data Science concepts and practical implementation.
- Gained exposure to data analysis workflows, machine learning fundamentals, and real-world problem-solving.

PROJECTS

Xplora – Kerala Tourism Chatbot (BCA Final Year Project)

Developed a deep learning based tourism chatbot using Python, Django, TensorFlow, and Keras with personalized recommendations, trend analysis, and feedback management.

Xynapse – Flutter App (Christ University Bangalore)

Built a Flutter mobile application for an app development contest focusing on modular UI design and smooth user interaction.

Useless WebPages – Hackathon Project (Team GLITCH)

Created multiple mini web projects including Emoji Translator, Horoscope Generator, Image Pixel Generator, Word Race, Guessing Game, and Pun Generator using HTML, CSS, and JavaScript during an 18-hour hackathon.

CERTIFICATIONS

- Flutter and Dart Certified Developer – Maitexa Technologies
- UI/UX Designing using Figma – TechByHeart

- Python Django Development – Riss Technologies
- NPTEL Elite Certification – Human Computer Interaction (90%) – IIT Madras / NPTEL

ACHIEVEMENTS & ACTIVITIES

- IEDC Core Member – St. Joseph’s College, Devagiri (2023–2024)
- Event Coordinator for ENVI – Department Fest, St. Joseph’s College
- Participated in technical events including Red Team Security Summit, IEDC Summit, and Vibe Coding
- Led Team GLITCH during an 18-hour hackathon and developed multiple mini web projects

HOBBIES & INTERESTS

- Listening to music and exploring diverse genres for relaxation and creativity
- Solving Rubik’s cubes and logic-based puzzles to enhance problem-solving skills
- Watching movies and web series to gain cultural and creative perspectives
- Travelling and exploring new places to broaden experiences and adaptability
